

We want to partner with you to help your child discover and embrace a growing relationship with Jesus Christ!

The Vision of Children's Ministry at CCC:

The Children's Ministry at Christ Community Church *serves to partner with parents in their efforts in building **faith at home** and nurturing a vibrant faith to be central in all areas of a child's life.* From the first steps in Tiny Treasures Nursery to Little Wonders Preschool, Kids for Christ, GEMS Girls Club and Cadets Boys Club, it is our dream to provide a faith community to help build strong foundations for kids and their families!

We provide **programs** and experiences just for kids at church (especially our kids' small groups) because it's a good, safe place for kids to ask questions about God and to practice saying out loud what they believe. *Most kids form their entire idea of who God is and choose whether or not they will have a relationship with Him by the time they leave **5th grade** (<http://whatisorange.org/252basics/see-it/>).* That's why our **Sunday Children's Ministry** is so important! We believe that our Sunday program and experiences can be a great springboard, equipping parents to have life-changing conversations and make consistent life-choices with their kids during the week.

But please remember that what happens at home is as—*if not more!*—important than what happens at church. ***We believe that the parent is the primary influence in a child's life—whether good or bad. We hope that you decide today to be a positive influence in your child's life.***
